The Renfrew County District School Board and the Ontario Ministry of Education have approved a regular school year calendar for 2009-2010. Four (4) professional activity days, in which teachers attend school but students do not, are provided for the purpose of evaluating and reporting on student progress, developing curricula, establishing long and short term plans for student programs, and promoting the achievement of the goals and objectives of the school system.

As well, there are a total of two (2) provincially mandated professional activity days for the purpose of staff development relating to the province-wide priority of closing the gaps in student achievement and special education. These dates are:

Friday, September 25, 2009 - all schools; Friday, November 20, 2009 - secondary only; Monday, February 1, 2010 - elementary only.

Schools will be providing additional information describing school activities, including PA days, on school websites and in school newsletters and newspapers. Additionally, information will be available on the Board website (www.renfrew.edu.on.ca).
